The Whole Surplus goes to the Policyholders on a system at once safe and equitable, being reserved exclusively for those Members who survive the period at which their premiums, if accumulated with compound interest at 4 per cent., would amount to the original assurance.

## Robert Gordon's Technical College.

Founded by Robert Gordon, by Deed of Mortification dated in 1730,  
and by Alexander Simpson of Collyhill, by Trust Disposition dated in

1816. The President and Governors were incorporated by Royal Charter under the Great Seal of Scotland, dated 15th June, 1772, and by another Royal Charter, dated 16th May, 1792. They were also incorporated under the name and title of "The President and Governors of Robert Gordon's College in Aberdeen," by a Provisional Order, dated 10th June, 1881, made by the Secretary of State under the Endowed Institutions (Scotland) Act, 1878, which Provisional Order came into operation on 1st August, 1881.

The Governors of Robert Gordon's Technical College were incorporated under "Robert Gordon's Technical College and Aberdeen Endowments Trust Order Confirmation Act, 1909," an Act to confirm a Provisional Order under the Private Legislation Procedure (Scotland) Act, 1899, relating to Robert Gordon's Technical College and Aberdeen Endowments Trust, which Act, dated 5th November, 1909, came into operation on 1st January, 1910.

The Governors carry on the following educational work:—

1.—A Secondary School in the buildings of Robert Gordon's College. Pupils are admitted at about nine years of age, and courses of instruction are provided extending through intermediate and post-intermediate departments to the Leaving Certificate Examinations of the Scotch Education Department and the Preliminary and Bursary Examinations of the University.

2.—A Central Institution or Technical College including the following schools:—

- (a) School of Engineering and Chemistry.—Engineering work and technical Chemistry are meantime confined to Evening Classes, but arrangements are in progress for the establishment of a complete Engineering School with both Day and Evening Classes. The Pharmacy Department is included in this School, preparing in Day and Evening Classes for the examinations of the Pharmaceutical Society.
- (b) School of Arts and Crafts (Gray's School of Art).—In the Day Classes of the School Diploma Courses have been established, and in Evening Classes instruction is related to the artistic crafts of the city.
- (c) School of Domestic Science, situated at 352 King Street, Aberdeen.—Diploma Classes are now established in this School, and, in addition, courses of instruction, or single classes, in some branch of household economy may be had.

#### *Property and Funds.*

These consist of all the property, funds, and estates formerly belonging to the Governors of Robert Gordon's College and the Aberdeen Educational Trust, excepting the buildings and grounds of Robert Gordon's College, Gray's School of Art and the Educational Trust, and heritable property in Blackfriars Street and Woolmanhill, Aberdeen, together with certain educational bequests, transferred to the Governors of Robert Gordon's Technical College. The gross value of the Trust's endowments is estimated at over £300,000, while the gross revenues amount to a sum approaching £14,000 a year.

#### *Application of Revenues.*

The revenues are applied as follows:—

(a) In maintaining and providing free education (with books and stationery) for 120 boys, called "Robert Gordon's Foundationers." Twenty-nine foundations are available annually, 19 being given by the votes of the Trustees to boys between 8 and 11 years of age who pass an entrance examination, while ten foundations are awarded by open competition to boys over 11 and under 15 years of age;

(b) In maintaining and educating 60 girls, called "Endowment Foundationers." These are children who have lost either parent or both parents, and whose surviving parents or guardians are unable to maintain and educate them without difficulty, and are not in receipt of parochial aid. The foundations are divided into two classes—"Outdoor" and "Indoor." The "Outdoor" foundations are open to girls not under 10 nor over 12 years of age. The foundationers receive free education (with books and stationery) at a public or State-aided school, and an annual sum for their maintenance and clothing. The "Indoor"

foundations are open to girls not under 12 nor over 14. The foundations are maintained in a Home (Sunnybank House, Sunnybank Road, Aberdeen) until they attain such age, not exceeding 16, as the Trustees may determine; and they receive free education (with books and stationery) and training in the School of Domestic Economy, with a view to their entering upon domestic service;

(c) In maintaining and educating children (boys and girls) of seafaring persons residing in Footdee, Aberdeen, called "Davidson's Free Scholars." These free scholars are of two classes—(1) children under 10, and (2) children over 10. Those of class (1) receive free education (with books and stationery) at a public or State-aided school until they reach 10. Those of class (2) similarly receive free education (with books and stationery) until they reach 14, and, in addition, an annual sum for maintenance and clothing;

(d) In providing bursaries called "Robert Gordon's Bursaries." These consist of three classes (1) "Presentation," (2) "Restricted Competition," and (3) "Open Competition." The bursaries of class (1) are open to boys over 8 and under 12 years of age who pass an entrance examination, and whose parents or guardians are in receipt of weekly wages or belong to the labouring classes, or who are orphans in necessitous circumstances. Thirty are awarded annually; and are tenable till the holders attain 11 and 12 years of age. The bursaries of class (2) are for boys between 12 and 13 similarly circumstanced to class (1). Ten of these are awarded annually, the bursars receiving free education at Robert Gordon's Secondary School and a money allowance for maintenance. Bursaries of class (3) entitle the holders to free education at Robert Gordon's Secondary School for one session. Thirty of these are awarded annually in open competition to boys over 11 and under 15;

(e) In providing bursaries called "Grammar School Bursaries," which include "MacRa Bursaries," tenable at the Aberdeen Grammar School. These are divided into two classes—(1) for boys already attending the Grammar School, and (2) for boys attending State-aided schools in Aberdeen. Class (1) consists of two bursaries, awarded annually by competitive examination among boys requiring aid in completing their education. Applicants must be pupils in Classical IV. and Modern IV. of the Grammar School, and successful competitors will be required to attend during the two sessions which complete the school curriculum. In class (2) not less than two bursaries for higher education, tenable at the Grammar School, are awarded annually by competitive examination among boys between 11 and 13 years of age whose parents or guardians require aid in providing them with higher education. Two of the total number of bursaries thus awarded (ten) are reserved for boys qualified, in the opinion of the Trustees, to avail themselves of the education given at the Grammar School who shall satisfy the Trustees that they are lineal descendants of *Alexander MacRa of Inverinet*, the great-grandfather of the deceased *Alexander MacRa, Ironmonger in Bristol*;

(f) In providing bursaries called "Public School Bursaries." These are awarded by competitive examination among scholars attending public or State-aided schools in Aberdeen who are not less than 12 years of age, and whose parents or guardians are in such circumstances as to require aid in giving such pupils higher education. The bursaries may be tenable for three years at public or State-aided schools in Aberdeen or at Robert Gordon's Secondary School;

(g) In providing free scholarships for boys and girls whose parents or guardians are in such circumstances as to require aid for providing elementary education, but are not in receipt of parochial relief. These scholarships, which are tenable at public or State-aided schools in Aberdeen for elementary education, are of two classes, class (1) being for children under 10, and class (2) for those over that age. Class (1) scholarships are given by the selection of the Trustees, and represent free books and stationery till the holders reach 10. Class (2) are awarded by competitive examination, and the books and stationery may be granted for such period, not exceeding three years, as the Trustees may determine;

(h) For providing bursaries and scholarships, called "Aberdeen Endowments Trust Bursaries and Scholarships," for students attending the evening schools of the Aberdeen School Board and Robert Gordon's Technical College, an annual sum of £100 is allocated by the Trustees in the proportion of one-third to School Board students and two-thirds to Technical College students, to be awarded by the Trustees on the nomination of the Board and the Governors respectively;

(i) For the purchase, preparation, and serving of free meals, and the providing of clothing by the School Board of Aberdeen to necessitous children attending public or State-aided schools whose parents or guardians are resident in Aberdeen, the Trustees pay to the Board an annual sum of £1,400;

(j) For behoof of the widows of white fishers and pilots in Footdee who may have perished at sea or by any of the accidents to which such persons are exposed while following their calling, the Trustees expend an annual sum of £20;

(k) For educating Robert Gordon's foundationers and bursars—referred to in sections (a) and (d)—and towards maintaining and managing Robert Gordon's Secondary School, the Trustees pay to the Governors of Robert Gordon's Technical College an annual sum not exceeding £1,100.

(l) For carrying on the existing School of Domestic Economy until such time as a School of Domestic Economy and Science is erected and provided in connection with the establishment of a Technical College in Aberdeen, the Trustees pay to the Governors of Robert Gordon's Technical College an annual sum not exceeding £300;

(m) The Trustees pay over to the Governors of Robert Gordon's Technical College whatever balance of the net revenues may remain after meeting the foregoing purposes. The Governors are required to apply such balance, in the first place, in making good any deficit arising in connection with the maintenance and carrying on of the primary, intermediate, and secondary departments of Robert Gordon's Secondary School. Should any further balance remain after making good such deficit, the Governors are required to apply it in such proportions as they may from time to time determine towards (1) the expense of the administration, management, and maintenance of the Technical College and (2) the providing of foundations, bursaries, or scholarships in connection with the College, these privileges to be of such amount and held on such terms and conditions as may from time to time be fixed and determined by the Governors.

Forms of application for the various benefits of the Trust may be had at the Offices of the Trust, 352 King Street, Aberdeen.

For each newspaper..... $\frac{1}{2}$ d.  
The publication must first have been accepted as a newspaper by the Postmaster-General, and have been placed on a register at the General Post Office, from which it is liable to be removed, either through the non-renewal of the registration fee, 5s., year by year, or in consequence of any change which may deprive it of the characteristics of a newspaper.

A newspaper, or a packet of newspapers, posted unpaid is chargeable with double postage; if insufficiently prepaid, with double the deficiency.

Every newspaper must be posted either without a cover or in a cover entirely open at both ends, so as to admit of easy removal for examination. If this rule be infringed, the newspaper is treated as a letter.

Every newspaper must be so folded as to admit of the title being readily seen.

A newspaper which has any letter, or any communication of the nature of a letter, written in it or upon its cover, will be charged as an unpaid or insufficiently paid letter.

#### INLAND PARCEL POST.

1 lb., 3d.; 2 lbs., 4d.; 3 lbs., 5d.; 4-5 lbs., 6d.; 6-7 lbs., 7d.; 8 to 11 lbs., 1d. per lb.

Maximum weight.....11 lbs. Length.....3 ft. 6 in.

Length and girth combined.....6 ft. 0 in.

A parcel should not be posted in a letter box. It should be marked "Parcel Post" and presented at the counter of a Post Office.

If a packet bearing the words "Parcel Post," or otherwise marked for transmission as a parcel, is not posted in accordance with this regulation, it is treated as a letter, if it is fully prepaid. If it is not fully prepaid at the letter post rate, it will be treated as a parcel, and will be charged on delivery with a fine of 1d., together with the deficient postage, if any, at the parcel post rate.

Parcels containing fish, game, meat, eggs, etc., or knives or other sharp instruments, can only be sent if so packed as to prevent all risk of injury to other parcels. Liquids or semi-liquids are not accepted

unless in bottles or cans securely stoppered; nor powders, unless so packed that they cannot escape in transmission. Bottles or glass in any form can be accepted only when so packed as to be secure from breakage. If a parcel be tendered in a damaged or insecure condition it will be refused.

Parcels known to contain a letter, packet, or parcel intended for delivery at an address other than that borne on the parcel itself are prohibited.

Parcels addressed to a Post Office to be called for are kept three weeks, at the end of which period, if not called for, they will be returned to the sender, if his name and address are given on the parcel.

Parcels addressed to a ship are kept one month.

If, however, such a parcel contains perishable matter, it is kept only 48 hours; and should it become offensive, it may be disposed of at any time as the Postmaster-General may direct.

It is most desirable that the name and address of the sender should appear on the outside of every parcel.

#### INLAND REGISTRATION AND COMPENSATION.

The Postmaster-General will (not in consequence of any legal liability, but voluntarily, and as an act of grace), subject to the rules as to posting and packing, give compensation up to a maximum limit of 400l. for the loss and damage of Inland Registered Postal Packets of all kinds upon prepayment of a fee in addition to the postage. This fee either consists of or includes in each case the ordinary registration fee of 2d.; and the scale of fees, and the respective limits of compensation are as follows:—

#### CANADIAN MAGAZINE POST.

The postage rate on British newspapers, magazines, and trade journals intended for despatch to Canada by direct Canadian packet is 1d. per lb. (any fraction of 1 lb. is counted as 1 lb.); packets not exceeding 2 oz. in weight,  $\frac{1}{2}$ d. No such packet must weigh over 5 lb. in weight or exceed 2 feet in length or 1 foot in width or depth.

Such packets must (1) be posted in covers open at both ends, and easily removable for the purpose of examination; (2) contain nothing but newspapers, magazines, and trade journals registered for the purpose.

Packets containing articles not admissible at the special rate are sent forward charged with double the deficient postage at the rate for printed papers or letters, as the case may be.

Neither the cover nor the contents of any such packet may bear any superscription in printing, manuscript, etc., except:—

- The names, addresses, and descriptions of the sender and the addressee, with index or reference numbers and letters.
- The words "With Compliments."
- The title of the newspaper, magazine, or trade journal, and a reference to its registration for transmission by post.
- A reference to any place in the newspaper, etc., to which the attention of the addressee is directed.
- A request for return in case of non-delivery.

\* Restricted to central parts.

RE-DIRECTION—(*Inland*).

No charge is made for the re-direction of letters by an officer of the Post Office or by an agent of the addressee after delivery, provided in the latter case that the letters are re-posted not later than the day after delivery (Sundays and public holidays not being counted), and that they do not appear to have been opened.

*Re-directed letters* which are re-posted later than the day after delivery will be charged a fresh postage, and any which appear to have been opened will be charged as unpaid letters posted for the first time.

**\*EXPRESS DELIVERY OF MESSAGES, LETTERS, AND PARCELS BY  
SPECIAL MESSENGER ALL THE WAY.**

Messages, postal packets, letters, and parcels are delivered by Express messenger under the following conditions, viz. :—

**LOCAL SERVICE. EXPRESS THROUGHOUT.**

*Scale of Charges.*

(a) For a Message, Letter, Packet, or other article the Express fee (inclusive of charges for omnibus, tramcar, railways, etc.) is :—

For every mile or part of a mile from the office of delivery  
to the address . . . . . 3d.

(Ordinary postage is not charged.)

A weight fee of 3d. is charged on packets over 1 lb. in weight.

(b) The cost of hiring a cab or other special conveyance must be paid in addition to the ordinary Express fee, if the sender desires that such a conveyance be used, or if having regard to the weight and size of the packet and the distance to be covered, the accepting officer considers that the employment of a special conveyance is necessary. The weight fee in such cases is not charged.

*Replies and Returns.*

On the delivery of an Express packet, the delivering messenger may take a reply or perform a further Express delivery service within the authorised hours. The second fee must be prepaid either by the sender of the first service or by the sender of the reply or further service.

When a reply or further service is required by the sender, the words "Wait Reply" or "Further Service" must be written above the address of the letter or parcel, and the messenger will be allowed to wait 10 minutes.

When a letter or parcel is taken to an address on the messenger's homeward route, or to an address within half a mile, more or less, of the Post Office from which the messenger originally started, half only of the special messenger fee will be chargeable.

**EXPRESS DELIVERY AFTER TRANSMISSION BY POST.**

Under this service letters and parcels are forwarded by Mail in the regular course of post, and on arrival at the office of delivery are sent out by Express messenger.

*Fees.*

(a) In addition to the full ordinary postage the Express fee is :—

For every mile or part of a mile from the office of delivery  
to the address . . . . . 3d.

(b) The cost of a special conveyance must be paid in addition to the postage and mileage fee in any case where a special conveyance is required.

---

(c) The sender is responsible for the fee and charges. The fee is in no case less than 3d., and this and the postage must be prepaid by means of stamps affixed to the Letter or Parcel. In any case where a special conveyance is required the whole charge for such conveyance should, if possible, be prepaid in postage stamps affixed to the Letter or Parcel, but any deficiency will be demanded from the addressee. If one-half of the express fee and charge for special conveyance is not prepaid, the letter or parcel will be liable to be treated as an ordinary letter or parcel instead of being delivered by special messenger.

\* Ordinary and Telegraph Money Orders may be drawn on any place in Hungary and Norway, but if there is no telegraph office at the place of payment, the order will be sent to the payee by post from the nearest telegraph office.

### General.

Money Orders do not require a receipt stamp.

Although at the end of twelve months from that in which it was issued, a Money Order, if still unpaid, becomes legally void, nevertheless, when a good reason can be given for the delay in presenting it, an application for payment, subject to a certain deduction, is entertained. In certain foreign countries the period during which a Money Order is valid is less than twelve months—see *Post Office Guide*.

No application can be entertained for compensation for alleged injury from the non-payment of a Money Order at the expected time.

After once paying a Money Order, by whomsoever presented, the Post Office is not liable to any further claim.

### Postal Orders.

Postal Orders for certain fixed sums from 6d. to £1 1s. are now issued in the United Kingdom, and in certain British Colonies and places at which British Postal Agencies are maintained.

The person to whom a Postal Order is issued *must*, before parting with it, fill in the name of the person to whom the amount is to be paid, and is recommended to fill in the name of the Post Office at which the amount is to be paid. The person so named must, before payment can be made, sign the receipt at the foot of the Order, and must also fill in the name of the Office of Payment, if that has not been already done.

Every person to whom a Postal Order is issued should tear off and retain the counterfoil. Its production will facilitate inquiry if the Order should be lost.

#### POST OFFICE SAVINGS BANKS.

These banks are established under the provisions of the Act 24 Vict., cap. 14, intituled, "*An Act to grant additional facilities for depositing small Savings at interest, with the Security of the Government for the due Repayment thereof*," and are open daily during the hours appointed for money order business for the receipt of deposits of one shilling, or any number of shillings, subject, of course, to the limitations of amount prescribed in the Acts previously in force for Savings Banks.

Deposits are received of any sums not less than a shilling or more than £50 in one year, and when the deposit reaches £1, interest at the rate of 6d. a year on each pound deposited is given.

Limit of deposits, £200, inclusive of interest; except deposits for Charitable Societies, the limit being £100 in one year, or £300 in all.

Any sum not exceeding £1 can be withdrawn without notice at any Post Office Savings Bank transacting Savings Bank business.

#### PURCHASE OF GOVERNMENT STOCKS.

Any depositor in the Post Office Savings Bank may invest any sum up to £200 in Government Stocks at the current price of the day, and may sell at the same. The commission for buying or selling is, not exceeding £25, 9d.; exceeding £25 and not exceeding £50, 1s. 3d.; exceeding £50 and not exceeding £75, 1s. 9d.; exceeding £75 and not exceeding £100, 2s. 3d.; and exceeding £100 and not exceeding £200, 2s. 9d.

The amount of Government Stocks which any one person can buy in a year must not exceed £200, and the whole amount which he can hold in such Stocks must not exceed £500.

#### GOVERNMENT INSURANCES AND ANNUITIES.

Life insurance for any amount not less than £5 or more than £100 may be effected by any person not over the age of 65 years and not under the age of 14 years; or, if the amount does not exceed £5, not under the age of 8 years. Immediate or Deferred Annuities are granted for any amount not less than £1 or more than £100 to any person not under the age of 5 years. The persons whose lives are insured, or to whom Annuities are granted by the Postmaster-General have direct Government security for the payment of the money at the proper time.

Forms of proposal for the insurance of lives and the purchase of Annuities, and information as to filling them up, may be obtained at any Post Office Savings Bank.

#### Post Office Telegraphs.

##### INLAND TARIFF.

The charge for Telegrams throughout the United Kingdom is 6d. for the first 12 words, and  $\frac{1}{2}$ d. for each additional word. Addresses are charged for.

Telegrams may be repeated at the request of the sender, if he desires to adopt this extra security against risk of error, by being signalled back from each office at which they are received to the office from which they are forwarded. The charge for repetition is one-half the ordinary tariff, a fraction of a halfpenny being reckoned as a halfpenny. The repetition charges will be refunded if it should turn out that the original telegram was incorrectly transmitted.

The cost of a reply not exceeding forty-eight words may be prepaid.

Copies of a Telegram, directed to more than one firm or person in the same free delivery will be delivered separately at an additional charge of twopence per copy. Each London Postal District is regarded for this purpose as forming a separate delivery.

Figures are counted at the rate of five figures to a word. Fractions are counted according to the number of figures employed, one figure being counted for the mark of division, thus— $\frac{1}{2}$  counts as one word, and  $109\frac{1}{2}$  as two.

All Telegrams for delivery at addresses within three miles of the office of delivery, or within the town postal delivery in the case of a Head Post Office, are delivered free. The charge for delivery of a telegram at any address beyond the limits of free delivery is at the rate of 3d. for each mile, reckoned from the boundary of the free delivery, any fraction of a mile being reckoned as a mile.

### Insurance against Fraud and Embezzlement.

Although it may not be generally known that only a comparatively small percentage of the many acts of **FRAUD** and **DIS-HONESTY** committed by trusted Officials is brought into public prominence, the necessity of Employers holding adequate Security on behalf of responsible persons whom they employ must be freely admitted. It is the obvious duty of Members of School Boards, Parish and County Councils, Directors of Public Companies, Committees of Charitable Institutions, Friendly Societies, etc., to see that proper Security is held on behalf of those whose Funds they administer, and the moral and financial safeguard of a Guarantee Policy issued by a good Office should commend itself.

The Premiums charged by **THE NATIONAL GUARANTEE AND SURETYSHIP ASSOCIATION** are based on the statistics of almost half a century's experience, and a full Prospectus containing an approximate Table of Rates for the various classes of risk will be sent on application. Special quotations are given where a large amount of business is involved.

The Association is prepared to grant immediate Security to **ACCOUNTANTS, SOLICITORS, AND OTHERS**, in connection with Court appointments, and will give full particulars of the special facilities afforded on application.
